

Welcome to Britannia Sale 71. As usual there will be **NO Buyers Premium.**

The sale comprises of 24 vendors, of which there are some good collections and accumulations conservatively priced to ensure sale on behalf of family estates.. We charge 15% + VAT for commission in general. Though items that need greater preparation may be subject to a slight increase. Please also note postal rates section, as we have experienced items not being received.

Late Lots brought to auction on the viewing dates must arrive no later than 10am on Saturday 21st Sept. Otherwise they will be kept and placed into the next auction. We will only accept lots of a presale estimate of £50 or more

We also propose that Vendors lots to be entered in future sales, will be collected during the Auction Viewing days. We can pick up after the Sale if pre planned, but there would be a nominal charge to account for expenses. Otherwise, lots can be received if sent by an appropriate courier service, or delivered directly.

We can offer scans of lots where feasibly possible.

IMPORTANT NOTICE TO BIDDERS

We still do not charge a buyer's premium. Our estimates are quite conservative. Although reserves are generally set at about 70% of estimate, it is our experience that bids under 90% of estimate stand little chance of success.

POSTAL RATES

We normally send packages under 10kg by special delivery or International signed for items over £20, unless requested that the customer is willing to accept full liability should items go missing .

If you wish us to use uninsured services at your own risk, please notify us on the bid form

Cheques to be made payable to K and K Halls

Credit or debit card, as space is provided on your bid sheet, for debit/ credit card details.

Postal bidding

Auctioneer will execute bids received from clients unable to attend the sale in person. The service is free of charge, and such clients should use the attached bid form.
