

All Bids for postal Sale 17 Need to be received no later than Midday on the 22nd November 2024.
Please ensure that any post sale enquiries are made no sooner than 72 hours after close of sale.

Dear all

We would like to ask all vendors to check the description & condition of items sent for sale, as we have recently received items either incorrectly described, or correctly described but damaged. We would also request that vendors make prior arrangements to lots being sent for sale, as we have been receiving material without prior notice, comprising of countries that are not currently popular, and therefore taking unnecessary space. **We will also only accept items of an sale estimate of £50 or more per item for postal sales.**

Reminder to Vendors, unsold items will be re-entered with a 10% reduction in estimate. If still unsold they will be re-entered one further time with a further 10% reduction (all reserves at 70% of estimate). After which if re-entered, items will be further reduced at our discretion with no reserve (items with no reserve will be denoted with an ** by lot number). This ensures we do not have material build up. If you do not wish items to be entered with no reserve you must stipulate in writing, otherwise we shall proceed as described. Items returned by request, or those that remain unsold will be returned, but will incur a postal charge.

Due to increased costs, going forward a nominal fee will be asked if collection required, in order to cover expenses.
