

Welcome to Britannia Sale 75. As usual there will be **NO Buyers Premium**.

The sale comprises of over 30 vendors, of which there are some good collections and accumulations conservatively priced to ensure sale on behalf of a family estate. We charge 15% + VAT for commission in general. Though items that need greater preparation may be subject to a slight increase. Please also note postal rates section, as we have experienced items not being received.

**Late Lots brought to auction on the viewing dates must arrive no later than 9am on Saturday 3rd Oct .
Otherwise, they will be kept and placed into the next auction. We will only accept lots of a presale estimate of £50 each or more**

We also propose that Vendors lots to be entered in future sales, will be collected during the Auction Viewing days. We can pick up after the Sale if pre planned, but there would be a nominal charge to account for expenses. Otherwise, lots can be received if sent by an appropriate courier service or delivered directly.

IMPORTANT NOTE TO VENDORS

Due to current sale trends and turnover, we will no longer re-enter unsold lots at 10% lower than previous estimates. Instead, we will now be entering estimates at their previous reserves. Please contact us if you do not wish to have unsold lots re-entered at previous reserves. If we hear nothing, then we will assume that this is okay

We can offer scans of lots where feasibly possible.

**LOTS CAN BE VIEWED IN NORTHAMPTON BY PRIOR ARRANGEMENT, BUT NO
LATER THAN 25th Sept 2026**

***DON'T MISS YOUR BIDS. POST EARLY/ EMAIL BIDS or LEAVE TELEPHONE BIDS
ON ANSWER PHONE***

Bids can be e-mailed , posted, or left on telephone message, see bid form for details

IMPORTANT NOTICE TO BIDDERS

We still do not charge a buyer's premium. Our estimates are quite conservative. Although reserves are generally set at about 70% of estimate, it is our experience that **bids under 90% of estimate stand little chance of success.**

POSTAL RATES

We normally send packages under 10kg by special delivery or International signed for items over £20, unless requested that the customer is willing to accept full liability should items go missing .

If you wish us to use uninsured services **at your own risk, please notify us on the bid form**

PAYMENT OF GOODS

It is important payment is made promptly upon receipt of invoice because all Vendors are paid promptly: in many cases upon receipt of money by Britannia Auctions, but always within 31 days of the sale.

Cheques to be made payable to K and K Halls

Or by

Credit or debit card, as space is provided on your bid sheet, for debit/ credit card details.

Transfer of funds to our Bank Account is also possible, upon request.

Our e mail is

Special Notice to Vendors

1. Each lot is received for sale subject to terms & conditions of sale & unless the contrary is expressed in writing by the intending vendor each lot is received for unreserved sale and will be sold without reserve. Written instructions as to reserves (if any) must reach us at the latest on the day before the sale and must be confirmed after receipt of advice note.
2. It is necessary that correspondence from abroad relating to reserves should be in English and the prices in Sterling.
3. The auctioneers will not be held responsible for the loss of stamps received inadequately packaged, mounted or arranged.
4. Unsold lots that have not been cleared, will after the expiration of 6 months, be sold to defray expenses.
5. Lots bid on and bought by the Vendor will be regarded as sold and liable for full commission.
6. Settlement is made one month after sale, except when the purchaser resides abroad, when settlement may be slightly delayed. For earlier notification, prepaid cards should be sent.

Photocopies / Scans

We can provide photocopies of suitable small lots. Please send a stamp addressed envelope for photocopies (which will be charged at 20p per A4 copy; overseas clients please add 50p for Airmail postage). We can provide scans of suitable small lots at no charge.

Postal Viewing

We are prepared to submit small lots for inspection to clients known to us, or to those who send a cash deposit or first-class reference. Such lots should be returned within 24 hours. Postage and Insurance etc both ways to be borne by the client. All viewing charges are subject to V.A.T.

Postal bidding

Auctioneer will execute bids received from clients unable to attend the sale in person. The service is free of charge, and such clients should use the attached bid form. Maximum bids can be given in full confidence that lots will be purchased as cheaply as possible subject to other bids received, or reserves set if any. The first bid received in the event of a tie is given precedence. Payment for lots secured must be made immediately on receipt of invoice.

Telephone Bids

We strongly recommend that all bids are sent by mail. However, if it is required to bid by phone we will endeavour to accommodate. However, we ask that you contact us the Thursday of the week before the sale. All bids left on message centre will be picked up, though errors arising from misinterpretation of lot numbers, bids or instructions are the responsibility of the bidder.

BIDDING INCREMENTS

The following increments will normally be used in our auctions. Postal bids should always fit within these increments; other figures will be rounded down. These are for guidance only, however, may be changed at auctioneer's discretion.
