

All Bids for postal Sale 20 Need to be received no later than Midday on the 7th August 2026.
Please ensure that any post sale enquiries are made no sooner than 72 hours after close of sale.

Dear all

We would like to ask all vendors to check the description & condition of items sent for sale, as we have recently received items either incorrectly described, or correctly described but damaged. We would also request that vendors make prior arrangements to lots being sent for sale, as we have been receiving material without prior notice, comprising of countries that are not currently popular, and therefore taking unnecessary space. **We will also only accept items of a sale estimate of £50 or more per item for postal sales.**

Due to increasing Vendor requirements. UNSOLD items will be managed as follows:
Any unsold lot re-entered will incur a reduction of 20% of its previous estimate.
Once lots have reached a 4th time of point of sale, items will then be entered with **NO RESERVE.**

Due to increased costs, going forward a nominal fee will be asked if collection required, in order to cover expenses.
