RESERVES : *A minimum of 70%* of the estimate will be accepted, unless requested by vendor to do otherwise. **Our estimates are quite conservative. Although reserves are generally set at about 70% of estimate, it is our experience that bids under 90% of estimate stand little chance of success. Any items sold for £70 and over will be sent special delivery in UK, International Track and sign for sales abroad, unless the bidder requests items to be sent for a lesser service, which means they will take responsibility if items are lost in transit**

VAT: All items are estimated without VAT unless marked with * , indicating they are subject to additional VAT at the current rate. Any items of unused postage , that sells above FACE value will incur a VAT charge, on the surplus to that Face value.

COMMISSION RATES : Unless agreed pre sale the 15% + VAT rate will apply

GUARANTEE: As our auctions include postal biddings too, some items purchased may be unseen. Where practicably possible we can scan pictures upon request. We offer complete satisfaction. If a lot is not found to be suitable, then it can be returned with a refund if done so immediately. Lots will be sent upon payment only, unless agreed prior to the auction.

If you wish to sell your stamps, we can offer two services. Firstly to value and sell in our auction at the above commission rates, or secondly we can also offer the opportunity for you to sell directly to us for a fair and quick transaction, dependent upon suitability and assessment at valuation. Vendors wishing unsolds to be returned should notify us. Any returned unsold items will incur a postage charge.
